Greetings!

Humboldt Sponsors is now accepting grant applications for the year 2022. Humboldt Sponsors awards grant funds annually to eligible local nonprofits that provide youth-related services. The intent of our HUGS Grant Program is to provide support for activities and services that directly benefit Humboldt County children. **We cannot fund ANY administrative costs, salaries, or stipends.**

PLEASE NOTE: Due to the changing Covid-19 restrictions and their effects on our grantees' planned use of funds in 2021, we ask that you include detailed contingency plans in your narrative, in the event that Covid-19 restrictions continue to affect your organization's planned activities for 2022.

The 2022 application (fillable) and supporting documents may be downloaded at www.humboldtsponsors.org. **The original application packet, plus ten (10) copies of your completed application and all related materials, must be mailed by the postmark deadline of Friday, February 11, 2022, in order to qualify for funding.**

As a last step before submitting your completed application packet, we encourage you to carefully review the grant application checklist to ensure that your application meets all requirements. Grant funding decisions will be determined by March 31, 2022.

Mail the completed application packet to:

As stated on the application, **you will need to provide your 501(c)(3) letter or that of your umbrella agency, along with a letter of authorization for its use.** As noted, please enclose the original application materials (signed application form, narrative, project budget and additional information) **plus ten (10) copies of these application materials.**

All grant recipients **must** provide Humboldt Sponsors with a detailed final grant report, indicating the use of grant funds received. All information provided is kept confidential. **The deadline to submit this report is November 1, 2022**, or as soon as possible after your planned project or activity session is complete. *If this deadline is not met, your organization will not be eligible to apply for a grant the following year.*

We thank you for your interest in the Humboldt Sponsors organization and look forward to reviewing your grant application. If you have further questions, please contact me at the phone number or email provided below.
